

San Francisco Bay Blues - Eric Clapton

I got the blues from my baby down by the San Francisco Bay
 The ocean liner took her so far away
 I didn't mean to treat her so bad; she was the best girl I ever have had
 She said goodbye; she liked to make me cry. Gonna lay down my head and die.

I ain't got a nickel and I ain't got a lousy dime
 If she don't come back, I'm gonna lose my mind
 If she ever comes back to stay it's gonna be another brand new day
 Walkin' with my baby down by the San Francisco Bay

Sittin' down lookin out the back door wonder which way to go
 Woman I'm so crazy 'bout she don't love me no more
 Think I'll catch me a freight train cause I'm feelin' blue
 Ride all the way to the end of the line thinkin' only about you

Meanwhile livin' in the city just about to go insane
 Thought I heard my baby, the way she used to call my name
 If she ever comes back to stay it's gonna be another brand new day
 Walkin with my baby down by the San Francisco Bay. hey hey
